Will do. Are you back, and are you planning on getting your picture done tomorrow? They announced the San Jac team got the Regional Innovation Award.

Phil,

Got the comments below on the revised BERA from the Port of Houston - please review these & let me know your take on these. FYI, TCEQ said revised BERA was OK ( they did have some minor editorial comments) & Harris County had no comments.

Thanks,

Gary,

Attached are the PHA's comments on the Baseline Ecological Risk Assessment dated August 2012 for the SJRWP Superfund Site Project. A hard copy of these comments will also be sent by certified mail. Thank you for your consideration.
